Mr. Hardy R. Collier,
Goldthwaite, Texas.
R-4.

Dear Hardy;

Kindly ask your Aunt Fannie if there is in existence an old photograph of daguerotype of her Grandfather (and my great-grandfather) Robert Collier. She, I believe, is the oldest member of the family living and I thought perhaps she might have an old picture.

I expect to visit Texas during the Confederate Reunion in May and tell your Mother and your Aunt Fannie I will certainly get by and see them, in fact it is my wish to see as many of the Collier relatives as possible.

I am having sent, by mail, a photograph of Durward, whose initials are D.C. (Durward Cuthbert) which I trust you will receive. I hope to be able to send you, a little later, a photograph of my two daughters, Evelyn and Jessie. Evelyn is now married, Mrs. Cason, but Jessie is still with us.

With sincere regards and good wishes to all of you, I remain

Sincerely,

JCC:C
